What is the Glow Lyric Theatre Opera Experience?

The GLOW Lyric Theatre Opera Experience is a unique program for rising 1st through 9th graders with a playful yet intense focus, offering both individual attention and peer collaboration. This year, students will perform in the ensemble chorus of George Bizet's "Carmen." Participants will prepare for their roles with trained vocal coaches and rehearse with professional opera singers from across the country! Students will experience first hand the excitement of being in a full-scale production at the Warehouse Theatre in downtown Greenville. Entertaining, enriching and challenging, the Opera Experience provides introduction to the many facets of opera performance and helps young artists develop as singers/actors.

Our **Opera Experience** participants are considered cast members and are held to the same rehearsal standards as our professionals. Cast members must...
