## Join the production of **SHOWBOAT!**

Come aboard for an epic American musical journeying into the lives and heartbreaks of three generations of show folk on the mighty Mississippi River. Created by Oscar Hammerstien and Jerome Kern, Showboat is a sweeping tale spanning over fifty years. Show Boat is an extravaganza of joyous dancing, aching romance and some of the most timeless music of the 20th Century including "Can't Help Lovin' Dat Man," "Ol' Man River" and "Make Believe."

## What is the Glow Lyric Theatre Opera Experience?

The GLOW Lyric Theatre Opera Experience is a unique program for young artists with a playful yet intense focus, offering both individual attention and peer collaboration. This year, students will perform in the ensemble chorus of *SHOWBOAT*. Participants will prepare for their roles with trained vocal coaches and rehearse with professional opera singers from across the country! Students will experience first hand the excitement of being in a full-scale production at the Warehouse Theatre in downtown Greenville. Entertaining, enriching and challenging, the Opera Experience provides introduction to the many facets of opera performance and helps young artists develop as singers/actors.

## Rehearsal Schedule and Expectations

Our **Opera Experience** participants are considered cast members and are held to the same rehearsal standards as our professionals. Cast members must...

- Be present at all rehearsals and performances. *The schedule and times may vary slightly due to the nature of live theatre. Changes will be communicated in advance.*
- Be on time! If your call time is 12:00 noon, please plan to arrive at 11:45 am so that rehearsals can begin at noon.
- Be kind and courteous to all performers, directors, backstage personnel and technicians.
- Be focused during rehearsals. Phones and electronic devices are not allowed on stage and should only be used during breaks.
